*Yo ho ho and bottle of rum* — Downtown bar [The Eleanor](#) has been transformed into a seafaring saloon for the second year in a row.

If [nautical nonsense](#) be something you wish, [Shipwreck'd](#) is open now through Sunday, Aug. 30. The immersive experience serves original cocktails, plus shots + shareable punches, and a menu of light bites, all to the tune of sea shanties.

*Psst — folks who dress up as a pirate will get 10% off their tab and the best costumes could win \$500. Here's what we recommend:*

- The “Siren’s Song” cocktail with pandan, yuzu, and neroli essence
- The "Cannonball Old Fashioned," which is capped off with the entire bar yelling "fire in the hole"
- The "Gunpowder Popcorn," which is a ridiculously good bar snack

Happy hour is held from 3 to 6 p.m. daily, during which folks who buy a Shipwreck'd cocktail can get a free shot.
